

CURRICULUM VITAE**Date presented:** Jul, 8, 2023**Name:** Ladan Abbasian**Office address:** Imam Khomeini Hospital
Blvd. Keshavarz; Tehran**Home address:** No. 122, Boustan 7, Pasdaran, Tehran**Language:** Persian (mother tongue)
French (good)
English (good)**Work phone (fax):** +982166581598**Cell phone:** +989127034891**Email:** la-abbasian@sina.tums.ac.ir
la.abbasian@gmail.com**Place of birth:** Tehran, Iran**Education:**

1994	M.D.	Medicine, Iran University of Medical sciences
------	------	--

Postdoctoral Training:

1996	M.P.H	Tehran University of Medical sciences
1994-1998	Resident	Infectious & Tropical Diseases, Tehran University of Medical Sciences
2002-2003	AFSA	Infectious & Tropical diseases, HIV Pitie-Salpetrier hospital, Versailles University of Paris
2003-2004	Diploma	Therapeutic Principles of Viral Infections, Pierre & Marie Curie University of Paris
2000-2003	Diploma	Homeopathy, “Ecoles Francaises d’Homeopathie” of Paris

2009-2011	Course of Medical Education Shahid Beheshti University of Medical Sciences
2018	Attachment with the HIV and Infectious Diseases Team Imperial college of London University Hospitals Birmingham
2022	Course of drug treatment for opioid use disorder Iranian National Center for Addiction Studies (INCAS)

Work experiences:**Faculty Academic Appointments**

2007-2011	Assistant Professor	Shahid Beheshti University of Medical, Sciences, School of Public Health
2011-Present	Associate Professor	Tehran University of Medical sciences, Department of infectious Diseases

Appointments at Hospitals/Affiliated Institutions

1988-1999	Physician	Imam Jafar Sadegh Hospital, Iran
2000-2002	Monitor of AIDS Clinical Researches	Honri-Mondor hospital National Research Agency of AIDS (ANRS)
2002-2003	Research Fellow	Department of HIV and Infectious Diseases Pitie-Salpetriere hospital, Paris
2008-2011	Consultant in HIV clinics	Shahid Beheshti University
2011-Present	Attending physician	Imam Khomeini Hospital Division of Infectious Diseases

Major Administrative Leadership Positions

2012-Present	Director of HIV Clinic, Imam Khomeini Hospital
--------------	--

۲۰۱۷ –Present	Focal point of care and treatment of HIV disease
2021-Present	Director of HIV fellowship course, Tehran University of Medical Sciences
2022-Present	Educational Deputy of the department of Infectious Diseases, Tehran University of Medical Sciences
۲۰۲۳ - Present	Head of the Iranian Research Center for HIV/AIDS (IRCHA)
2023-Present	Director of HIV international course

Membership committee:

1994- Present	Iranian Medical Council
2007-Present	Member of Islamic International Bioethics society
2007-Present	Member of AIDS law committee in Iranian Medical Law Society
2008-2011	Member of Educational Development Office, Shahid Beheshti University of Medical Sciences
2008- 2019	Member of Research committee, Ethics & Medical Law Research Committee
2011-Present	Member of Research committee, Iranian Research Center for HIV/AIDS (IRCHA), Tehran
2011-Present	Member of Iranian AIDS national committee, Ministry of Health
2011-Present	Member of Research committee, Infectious diseases department, Tehran University of Medical Sciences
۲۰۰۷-۲۰۱۰	Member of the Ethics and Spirituality Central Committee of Shahid Beheshti University, Ethics and Medical Law of Research Center

Committee service:

1994-1998	Student Research Committee, Iran University of Medical Sciences
2011-2014	Care and treatment of HIV+ patients, HIV & hepatitis clinic, Tehran

Editorial Activities:

2007-2010	Editorial Board of the Journal of the Medical Law
2007-2010	Editorial Board of the Journal of the Medical Fiqh
2007-2013	Editorial Board of the Journal of the Medical Ethics

Ad hoc Reviewer

Plos neglected tropical diseases
Iranian journal of Pediatrics
Acta Medica Iranica

Report of Funded and Unfunded Projects

Past

2002-2004	ANRS Comparative study of plasma concentration of protease inhibitors & Non-Nucleoside analogues in patients suffering from chronic Hepatitis C and HIV	CO-PI
2008	Evaluation of surveillance system of contagious diseases in private Sector (Unfunded)	PI
2009-2010	UNAIDS Ethical Code of conduct for NGOs working for HIV+ patients	CO-PI
2013-2014	Tehran University of Medical Sciences Adherence Explanatory treatment Model in HIV infected patients	CO-PI
2015-2016	Shahid Beheshti University of Medical Sciences The relation between emotion regulation and behavioral inhibition and Activation system with borderline personality disorder in HIV infected Patients	CO-PI
2015	Tehran University of Medical Sciences Near full sequencing of discordant HIV infected patients in Iran	CO-PI

2016	Shahid Beheshti University of Medical Sciences Predicting of treatment adherence based on executive and family Functions in Persons Living With HIV	CO-PI
2016	Tehran University of Medical Sciences Structural equation modeling of everyday functioning and health- related Quality of life based on prospective memory and depression in patients Living with HIV	CO-PI
2017	Shahid Beheshti University of Medical Sciences Effectiveness of Cognitive Rehabilitation Therapy (CRT) on enhancement of Executive functions (EF) of HIV infected patients	CO-PI
2017	Shahid Beheshti University of Medical Sciences Evaluation of apathy and depression in cognitive performance of HIV Infected patients	CO-PI
2017-2018	Tehran University of Medical Sciences The prevalence of skin manifestations in patients with HIV referred to Razi and Imam Khomeini hospitals	CO-PI
2018	UNAIDS Legal protection of people who are living with HIV/AIDS in IRAN	CO-PI
2018	Tehran University of Medical Sciences Sensitivity and specificity of induced sputum for Tuberculosis in PLHIV (Unfunded)	PI
2020	UNAIDS The National Citizen's Rights of People who living with HIV	CO-PI
2020	Tehran University of Medical Sciences The effect of Altebrel as an anti-inflammatory drug and anti-TNF-alpha immunomodulator on the course of the disease in patients with covid-19	CO-PI
2021	Tehran University of Medical Sciences Bone density status and factors influencing it in HIV infected patients referred to HIV Clinic/Behavioral Disease Counseling Center of Imam Khomeini Hospital	PI
2021	Tehran University of Medical Sciences Amount of secretory IgA in the saliva of hospitalized patients with COVID-19 in Imam Khomeini Hospital and its relationship with the progression	CO-PI

Of the disease(Unfunded)

2022	Tehran University of Medical Sciences Humoral immunological response of Sinopharm vaccine in HIV patients referred to behavioral disease counseling centers of Imam Khomeini and Shemiranat in Tehran.	CO-PI
<u>Ongoing</u>		
2021-present	Tehran University of Medical Sciences Diagnosis of fungal infections in people living with HIV with common and modern diagnostic methods of medical mycology	CO-PI
2022-Present	Tehran University of Medical Sciences Comparison of three methods IGRA, TST and Two-Step TST in the diagnosis of latent tuberculosis infection in patients with HIV referred to Imam Khomeini Hospital	CO-PI
2022-present	Tehran University of Medical Sciences Investigation of clinical signs and symptoms, imaging characteristics, etiology and outcome of HIV patients with pulmonary manifestations, referring to Imam Khomeini Hospital	PI
2022-Present	Tehran University of Medical Sciences The prevalence of blood pressure by Holter monitoring and its related Factors in patients with HIV referred to the Behavioral Diseases Counseling Center in Imam Khomeini Hospital	CO-PI
۲۰۲۲-Present CO-PI	Tehran University of Medical Sciences Need assessment of the general society about high-risk behaviors related to HIV using the information recorded through the hotline in Tehran's Positive Club located in Imam Khomeini Hospital (RA) in Tehran.	
2023-Present	Tehran University of Medical Sciences Comparison of three methods IGRA, TST and Two-Step TST in diagnosing latent tuberculosis infection in patients with advanced HIV disease admitted to Imam Khomeini Hospital	CO-PI

REPORT OF REGIONAL, NATIONAL, INTERNATIONAL INVITED TEACHING AND PRESENTATIONS

National

April 2008	“Anthrax”, Bioterrorism symposium, Shahid Beheshti University of Medical Sciences, Invited Speaker
June 2008	“Ethics in medical research”, Ethics and Medical Law Symposium, Kerman University of Medical Sciences, Invited Speaker
October 2008	“AIDS and Tuberculosis”, National Iranian congress of HIV/AIDS, Shahid Beheshti University of Medical Sciences, Invited Speaker
September 2011	“Iranian Research on HIV congress”, Tehran University of Medical Sciences, Invited Speaker
October 2011	“Ethics in HIV management”, Medical ethics and Professionalism Seminar, Tehran University of Medical Sciences, Invited Speaker
December 2011	“HIV and Pregnancy”, Iranian Infectious Diseases Society Congress, Invited Speaker
November 2013	“Bedside teaching”, Resident as teacher Courses, Tehran University of Medical Sciences, Invited Speaker
December 2013	“HIV and Pregnancy”, Prenatal Diagnosis symposium, Tehran University of Medical Sciences, Invited Speaker
March 2014	“HIV Drug Resistance”, Winter School Courses on HIV treatment, Pasteur Institute of Iran, Invited Speaker
October 2014	“HIV/AIDS Workshop”, Ministry of Health, Invited Speaker
November 2014	“Drug allergy”, Iranian General Physician Society, Antimicrobial Stewardship Program, Invited Speaker
November 2015	“Law & ethical challenges of HIV”, AIDS, Bioethics and Human Rights, UNAIDS, Invited Speaker
November 2015	“Burn management”, Iranian Congress of Medical Bacteriology,

Invited Speaker

- December 2015 “Clinical Manifestation of HIV/AIDS”, Iranian Society of Virology, Tehran University of Medical Sciences, **Invited Speaker**
- February 2016 “Epidemiology of HIV/AIDS”, Students Symposium, Tarbiat Modares University, **Invited Speaker**
- April 2016 “Antimicrobial Stewardship in Urinary Tract Infection”, Iranian General Physician Society, **Invited Speaker**
- December 2016 “HIV/AIDS Workshop”, Ministry of Health, **Invited Speaker**
- February 2017 “Vaccination in HIV infected patients”, Tehran University of Medical Sciences, **Invited Speaker**
- July 2017 “HIV and infertility”, Royan Institute Congress, **Invited speaker**
- July 2017 “HIV updates”, Ministry of Health, **Invited Speaker**
Tehran University of Medical Sciences, **Invited Speaker**
- Nov 2017 “Health law”, Summer school of children's rights, **Invited Speaker**
- December 2000 “Management of Influenza”, **Seminar** of Influenza, **Invited Speaker**
- July 2021 “Infection control in Ulcer management”, Jahad daneshgahi
- December 2021 “Virtual workshop on the management of patients with HIV suspected of Antiretroviral drug resistance”, Ministry of health, **Invited Speaker**
- March 2022 “Clinical manifestations and treatment of HIV”, Iran TV mass media, **Invited Speaker**
- March 2022 “HIV epidemiology, diagnosis and control in Iran” Iran TV mass media, **Invited Speaker**
- April 2022 “HIV updates”, Medical council, **Invited Speaker**
- June 2023 “HIV and CANCER” , National Internal Medicine Congress, **Invited Speaker**

International

- June 2008 “Ethics in Research”, AIDS and Human Rights Symposium, UNESCO, **Invited Speaker**

- September 2008 “Peer education”, International Congress of AIDS and Human Rights, Shahrekord University of Medical Sciences, **Invited Speaker**
- October 2012 “HIV case reports”, International HIV/AIDS Congress, Tehran University Of Medical Sciences, **Invited Speaker**
- October 2014 “HIV in Pregnancy”, International Congress of Obstetrics & Gynecology, Tehran University of Medical Sciences, **Invited Speaker**
- December 2014 “International Congress of Laboratory and clinic”, Clinical Virology, Tehran, **Panelist**
- December 2015 “HIV and Pregnancy”, Semmelweis Memorial Conference, Joint Meeting On Infectious Diseases in Gynecology and Obstetrics, Tehran University Of Medical Sciences, **Invited Speaker**
- September 2017 “AFRAMED”, French International HIV/AIDS Congress, Tunisia, **Panelist**
- August 2020 “Covid19 outpatient management”, Covid 19 online course, Joint program ByTehran University of Medical Sciences and the University Of LAHORE, **Invited Speaker**
- October 2022 “Covid antiviral therapy”, International conference of Inflammation, **Invited Speaker**
